Editing Team: What each Editor has to Check

On the shared Google Sheets Document, please refer to **"Editor Checklist"** to see what you have to check for each article, what requirements, and what to provide feedback on for each writer.

Article Number	Article Details		Criteria and Specifics			
	Article Name	**Author's Name**	**Article Description (for a quick brief and understanding for your editor)**			
	Building a Cyberdeck	Jose Enrique Tetangco Sanchez	About cyberdecks; how people make their own at home and what people use it for.			
	Editor's Name (PEER)		Seth	**Completed?**	☐	
	Article Readability		**Article Accuracy**	**Plagiarism**		**Final**
	Short enough sentences?		Are all sources valid? (Educational sources, research papers, etc. are valid. Wikipedia is not valid.)	Is any content stolen, plagiarised, or copied?		Thoughts
	Within 800-900 words?		Are all sources up to date? (article doesn't use outdated sources)	Is any content that's referenced in the article but not cited? Are any sources missing?		Critics
1	Paragraphs are topic-specific and don't drag on?			Was any part of the article AI generated?		Improvements
	Editor's Name (EDITOR)		Anastasia	**Completed?**	☐	
	Article Readability		**Article Accuracy**	**Plagiarism**		**Final**
